PAC Contributions to Federal Candidates include contributions to Democratic and Republican candidates for federal office. The table does not reflect contributions to independent candidates, which total \$23,250 since 1997. The total reflects donations from the political action committees established by tobacco companies only and do not include personal contributions made by tobacco company executives and employees.

For contributions to state candidates, see The Institute on Money in State Politics, www.followthemoney.org. The Institute maintains a database of all contributions to state candidates, including contributions from tobacco companies. Tobacco contributions to state candidates can be accessed at: <http://www.followthemoney.org/database/IndustryTotals.phtml?i=143&s=0>
